

Here is some information concerning passport renewal. When you apply for passport renewal you must turn it in with the renewal form.

It has been taking approximately 4-6 weeks to get for the new passport to be returned. Please see the information at this link:

If you need to expedite the return of your passport, there is a 2 week turnaround. See:

If you really need to get your passport renewed quickly, you can make an appointment with the State Department in Houston. Fly to HOU, rent a car, drive to the office downtown, submit the paperwork, kill 2-3 hours in downtown Houston, return to the passport office around 3PM and pick up your renewed passport. Houston information can be found here:
